Essential Baby Equipment List

As parents ourselves, we understand that there is a lot more than a cot and highchair which babies require. We provide what we think are the basics, however if there is anything else you need, please just let us know and we will do our best to source and provide it for you.

- Swimming pool protection via coded door entry or cover
- Cots plus bedding
- Bed guard
- Blackout blinds or external shutters
- Night light
- Baby monitor
- Changing mat
- Steriliser
- Potty
- Toilet seat for toddlers
- Bathroom step
- Non-slip bath mat
- Bath toys
- Baby towels
- Stair gates
- Baby cutlery, bowls, plates, cups
- Stick blender – chef will prepare food as requested
- High chair
- Booster seats for toddlers
- Children's toys and sledges
- Kids movies
- Wii plus games
- Car seats for babies, toddlers and children (Rear, forward facing and booster)

We can arrange for pre-purchased baby packs to be provided direct to the chalet, complete with all your usual products and brands to save packing space for the journey.
