

A multi-story chalet with a stone ground floor and dark wood upper floors, featuring balconies and red window shutters, set in a snowy mountain landscape. The chalet is illuminated from within, and a large, snow-laden evergreen tree is in the foreground on the right. The sky is a pale blue, suggesting dusk or dawn.

Chalet Le Rocher

Val d'Isere

Chalet Le Rocher truly is an extraordinary chalet, perfectly merging cutting edge style and innovation. Everything has been considered to bring you the ultimate ski chalet.

Take the lift to the second floor and you are wowed by the magnificent living area with its vaulted ceiling and stylish decor. Cowhide sofas and light shades are complemented by sensational modern glass chandeliers and the crackling log fire which is the focal point of the room.

Venture out onto the balcony in front of the imposing "rock" and your red cedar Hot Tub fuelled by a log burning stove is the ideal place to enjoy a glass of Perrier-Jouët champagne while gazing at the stars. Back inside, your very own private bar is waiting for a pre-dinner cocktail or post-dinner digestif.

Le Rocher has seven beautifully designed bedrooms which feel truly alpine with reclaimed wood from Mongolia and intricately carved furnishings. Each bedroom has an en-suite bathroom and AV facilities. The master bedroom suite is indulgence in its purest form and is one of the largest in the resort with his and her dressing rooms.

This ultimate Alpine chalet has just about everything you could want for. The facilities in Le Rocher include a 7x4m indoor swimming pool with jet stream alongside a steam room disguised as a tiny chalet. The fabulous spa has its own cinema projector with an integrated sound system and the children's play-room consists of a Lego corner, TV and the latest gaming equipment.
