

## Brand New Chalet in Courchevel

CHALET BACCHUS - LAUNCHED EARLY 2021

Luxury ski holiday operator, [Consensio Chalets](#) launches its newest addition to their phenomenal chalet collection. [Chalet Bacchus](#) is a newly built chalet situated in an enviable position on the Belvedere piste in Courchevel Moriond. It has direct ski-in/ski-out access and is located a short walk from the centre of this world-famous resort.

Named after the Roman God of wine, this exquisite alpine chalet with [560]m<sup>2</sup> of space arranged over five floors has relaxation and enjoyment at the forefront of its design. Home to seven unusually large en-suite bedrooms, all with balcony or terrace access, the brand-new Bacchus accommodates 14 guests in sumptuous surrounds.

Relaxation is the key focus of Chalet Bacchus, the entire lower ground floor is dedicated to a large spa and cinema, equipped with the latest movie theatre technology and lavish tiered sofas. Chalet Bacchus features a 10-metre pool and sunken jacuzzi, sauna, hammam, tranquil treatment room and an exterior private courtyard accessed via floor-to-ceiling glass-doors, allowing for a rejuvenating step into the snow.

A double-height open-plan lounge with spacious dining area dominates the second floor. With a nod to its namesake, a large wine cellar is on display and the living area is complemented by full-length glass windows which flood the expansive room with light and panoramic mountain views. This floor also hosts a state-of-the-art kitchen, large contemporary bar, and the giant outdoor hot tub on the balcony overlooking the slopes is the cherry on the cake.

With brand new modern and elegant interiors, Chalet Bacchus brings an exciting new venue to Courchevel Moriond, perfectly positioned to explore Les Trois Vallées.

**Chalet Bacchus will be available to book for early 2021 ski holidays, and costs from €34,125 for a week's stay.**
