

Essential Baby Equipment List - Apartments

As parents ourselves, we understand that there is a lot more than a cot and highchair which babies require. We provide what we think are the basics, however if there is anything else you need, please just let us know and we will do our best to source and provide it for you.

- Cots plus bedding
- Bed guard
- Blackout blinds
- Night light
- Baby monitor
- Changing mat
- Steriliser
- Potty
- Toilet seat for toddlers
- Bathroom step
