

## Essential Baby Equipment List - Chalets

As parents ourselves, we understand that there is a lot more than a cot and highchair which babies require. We provide what we think are the basics, however if there is anything else you need, please just let us know and we will do our best to source and provide it for you.

- Swimming pool protection via coded door entry or cover
- Cots plus bedding
- Bed guard
- Blackout blinds
- Night light
- Baby monitor
- Changing mat
- Steriliser
- Potty
- Toilet seat for toddlers
- Bathroom step
- Non-slip bathmat
- Bath toys
- Stair gates
- Baby cutlery, bowls, plates, cups
- Highchair
- Booster seats for toddlers
- Children's sledges
- Kids SKY TV channel (and Netflix available with your own log in)
- Car seats for babies, toddlers and children (Rear, forward facing and booster)
