Courchevel 1850  
- Sleeps 8+2 -

Carat, Courchevel 1850, brings elegant Alpine living to one of the most prestigious locations in the French Alps.

Tucked just 100 metres from the Bellecôte piste, this beautifully designed apartment sits within a private hamlet in the sought-after Bellecôte area. With direct access to the slopes and just a short drive from the resort centre, Carat offers a seamless blend of luxury, convenience and character for families or small groups.

Set across three floors, the property sleeps up to 10 guests in five individually styled bedrooms, including a cosy children's hideaway tucked under the eaves. Each room is finished in a warm, neutral palette with traditional wood accents and marble en-suite bath or shower rooms. Two rooms enjoy access to the terrace, and a separate guest apartment, which is accessible via the garage, offers additional privacy with its own bedroom, lounge and kitchen, making it ideal for teenagers or for accompanying staff.

The top floor is dedicated to open-plan living and features a vaulted ceiling, a striking central fireplace and a wraparound L-shaped sofa. Floor-to-ceiling windows fill the space with natural light, revealing stunning views of the surrounding peaks. An adjacent dining nook with banquette seating sets the scene for relaxed meals, while the fully equipped kitchen includes high-spec appliances and a sleek modern finish.

On the lower level, guests can unwind in the property's private wellness area. A striking indoor pool, sauna, and spa bar offer a luxurious space to recharge, while the velvet-walled cinema room is perfect for family movie nights. Additional amenities include a ski room with heated boot warmers, a wine cave, a laundry room and underground garage access.

Carat is an intimate and refined alpine property, designed for those who value style, comfort and access to world-class skiing.
