

# Chalet Le Namaste

Courchevel 1850 - Sleeps  
9 plus 4 children

The newly renovated chalet Le Namaste is one of the leading private homes in Courchevel 1850 and was the former summer residence of Baroness Margaret Thatcher. Located in the exclusive, gated Hameau de Cachemire, it boasts one of the most desired addresses in this fashionable resort and provides easy direct ski-in/ski-out access to the green Bellecote Piste, bringing you direct to the heart of the resort and main lift departures.

This modern alpine chalet had a recent €1 million renovation, increasing the size of the chalet and bringing you four floors of complete luxury. Namaste accommodates ten adults in a sumptuous double master suite, three double bedrooms, a large children's room that sleeps up to four children in gorgeous cabin bunk beds, and a smaller, windowless 10m2 double room – perfect for nannies, staff or children, all with en-suites and/or Jacuzzi's. Adjacent to the bunk bedroom is a convenient lounge area with a TV, great for children to relax and play. Le Namaste is the very epitome of alpine chic and offers over 400m2 of living space.

The spa features an indoor swimming pool with a mood lighting system. Alongside a Hammam and a Sauna is the spacious massage treatment room for post-ski recovery, and a Pilates/yoga/stretching/workout area is incorporated on the mezzanine level above the pool.

Nearly every window enjoys a beautiful panoramic vista. There are three terraces, allowing you to enjoy the morning sun, have lunch and unwind after skiing with a glass of champagne and a warm blanket to watch the skiers go by.

After a long day exploring Courchevel, relax by the dual-aspect fireplace with your favourite drink, or enjoy the glass-enclosed, state-of-the-art design kitchen.

The chalet boasts a modern and chic new interior while maintaining an awe-inspiring authentic feel. It has the latest modern conveniences, WiFi and a comprehensive television, music and entertainment system connected throughout the chalet.
