# Chalet Montclair

Méribel  
- Sleeps 12 -

Chalet Montclair is a brand new luxury chalet located on the Route de la Renarde, close to Méribel Centre and the main ski village. Surrounded by forest and mountain scenery, it enjoys a peaceful setting while remaining within easy reach of the slopes.

Spanning over 650 m<sup>2</sup> across multiple levels, the chalet is designed for comfort, wellbeing and effortless alpine living, combining generous entertaining spaces with a strong sense of privacy for families and mixed groups.

The chalet sleeps up to 12 guests across six en-suite bedrooms on the upper floors, including a principal master suite and a spacious junior suite. The remaining bedrooms are finished in natural wood with softly textured walls and a calm, neutral palette.

At the heart of the chalet, the main living spaces are designed for shared time together. A generous open-plan lounge with fireplace and integrated bar is defined by double-height ceilings, internal bridges and large panoramic windows, creating a bright and airy atmosphere throughout the day.

The lounge flows into a separate dining area, supported by both a professional closed kitchen and a guest-facing kitchen, making it equally suited to relaxed family meals or entertaining. Terraces extend the living areas outdoors, offering space to enjoy the mountain air from morning through to evening.

Design throughout the chalet is calm and light-filled, with a focus on modern open-plan living finished in high-quality natural materials. Warm timber, stone and concrete are layered with textured finishes and a soft, earthy palette, creating interiors that feel balanced, timeless and closely connected to nature.

Additional TV and entertainment rooms provide separate spaces for both adults and children to enjoy their own time together.

A dedicated wellness floor features a 10-metre indoor swimming pool, hammam, sauna and private treatment room, creating a calm retreat for post-ski relaxation.
