Chalet Bacchus

Courchevel Moriond
- Sleeps 14 -

Chalet Bacchus is situated in an enviable position on the Belvedere piste in Courchevel Moriond. It has direct ski-in/ski-out access and is located a short walk from the centre of this world-famous resort.

Named after the Roman God of wine, this exquisite alpine chalet with 560m² of space arranged over five floors has relaxation and enjoyment at the forefront of its design. Home to seven unusually large en-suite bedrooms, all with balcony or terrace access, Bacchus accommodates 14 guests in sumptuous surrounds.

The top floor of the chalet is dedicated to a large primary suite with its own private balcony. Every bedroom offers a flexible super-king or twin layout and four of the five floors are served by a lift.

Relaxation is the key focus of Chalet Bacchus and the entire lower ground floor is dedicated to a large spa and cinema. Unwind after a hard day's skiing with a dip in the 10-metre pool or relax in the adjacent sunken jacuzzi. There is a sauna, a hammam and an exterior private heated courtyard accessed via floor-to-ceiling glass doors.

A tranquil treatment room is situated one floor up, allowing the need for a restorative massage by an expert local therapist. Down the hallway from the spa is the cinema, equipped with the latest movie theatre technology, Playstation 5 and lavish tiered sofas.

A double-height open-plan lounge with a spacious dining area dominates the second floor. With a nod to its namesake, a large wine cellar is on display and the living area is complemented by full-length glass windows which flood the expansive room with light and panoramic mountain views.

This floor also hosts a state-of-the-art kitchen from where a chef can create culinary magic. A large contemporary bar, perfect for a pre-dinner drink completes the picture inside, with a giant hot tub outside on the balcony overlooking the slopes being the cherry on the cake!
