ACCESS

Close to slopes

Aurora is arranged across four levels in the quieter Le Joseray area of Val d'Isère, creating a natural sense of separation between its bedrooms, living spaces and private wellness floor.

The property sleeps eight guests across four double or twin bedrooms, including a primary suite on the top floor with two private balconies and far-reaching mountain views. A sauna, hammam and outdoor hot tub add space to unwind, while the central living floor brings the kitchen, dining area and lounge together around an open fireplace.

Part of The Joseray Collection, Aurora can also be booked with neighbouring properties for larger groups travelling together.

THE EXPERIENCE

The Experience

Days at Aurora are shaped around the mountain, with the Joseray piste and ski shuttle bus both a 2-minute walk away. On return, equipment can be stored in the private ski and boot room before heading downstairs to the sauna and hammam or out to the hot tub overlooking the peaks.

The open-plan living floor is designed for time together, from quiet breakfasts before skiing to drinks by the fire and long dinners around the table. Balconies at either end bring light into the space throughout the day, while the bedrooms are spread across separate floors for greater privacy.

Aurora is offered as a Serviced Property, with pre-arrival and in-resort concierge, daily housekeeping, a welcome hamper and morning boulangerie delivery.
