Carat brings elegant alpine living to one of Courchevel 1850's most sought-after addresses.

Set within the private Domaine de Bellecôte hamlet, the property sits just 100 metres from the Bellecôte piste, offering excellent access to the slopes and the wider Les Trois Vallées ski area.

Arranged across three floors, Carat sleeps up to 8 guests across four individually styled bedrooms. Warm timber interiors, marble bathrooms and soft neutral tones create an intimate alpine retreat for families or small groups looking for comfort, privacy and ease in Courchevel 1850.

THE EXPERIENCE

The Experience

The top floor is dedicated to open-plan living, with vaulted ceilings, a striking central fireplace and a generous lounge area designed for relaxed evenings after skiing.

Floor-to-ceiling windows bring natural light into the space and frame views of the surrounding peaks. A cosy dining nook with banquette seating sits beside the fully equipped kitchen, creating an easy setting for breakfast, informal meals and quiet evenings in.

On the lower level, guests can unwind in the private wellness area, complete with indoor swimming pool, sauna and spa bar. A velvet-walled cinema room offers a relaxed space for film nights, while practical facilities include a ski room with heated boot warmers, wine cave, laundry room and underground parking.

Carat offers more than the usual Serviced Properties stay, with daily continental breakfast, including eggs cooked to order, alongside a third-party in-resort driver service from 08.00 to 20.00, Sunday to Friday inclusive.
