ACCESS

Ski-in, ski-out

Set in Méribel's sought-after Morel area, Chalet Le Grenier offers generous alpine living with direct access to the slopes. Positioned by the Morel chairlift and Hulotte piste, the chalet combines ski-in, ski-out convenience with a private setting slightly away from the centre of the resort.

Spanning 550m² across five floors, the chalet has been designed by Nicky Dobree with a strong sense of space, warmth and flow. Triple-height windows frame panoramic mountain views, while the main living area brings together deep sofas, a dual-aspect fireplace, open kitchen, dining space and access to a sunlit terrace.

THE EXPERIENCE

The Experience

Chalet Le Grenier is designed for effortless mountain living, with generous spaces for gathering and quieter corners for privacy. The main living area forms the heart of the chalet, while the TV snug, study and games room offer additional space for film nights, reading, working remotely or time away from the main group.

After skiing, guests can unwind on the spa level, complete with a large sunken hot tub, sauna, massage treatment room and well-equipped gym. A heated ski room with boot dryers, lift access across the chalet and integrated sound and lighting add ease to each day.

Guests are looked after by a dedicated chalet team, with private chef service, in-resort chauffeur, concierge support and daily hospitality arranged throughout the stay.
