ACCESS

Ski-in, ski-out

Champlain is located at Le Rond-Point des Pistes in Méribel, with direct ski-in, ski-out access to the slopes and lifts. Restaurants, shops and après-ski spots are within easy reach, while the resort centre is a few minutes away by car or free shuttle.

Inside, contemporary alpine design is paired with natural materials, soft neutral tones and understated detailing. Large windows bring plenty of natural light into the property and open the living spaces towards the surrounding mountain views.

Arranged across 142m², Champlain accommodates six adults and two children in three double bedrooms and a separate bunk room adjoining the primary suite, making it particularly well suited to families.

THE EXPERIENCE

The Experience

The main living space brings together the lounge, dining area and kitchen in one open setting. An open fireplace adds warmth, while floor-to-ceiling windows and doors lead onto a private balcony and terrace with wide mountain views.

A separate TV room offers a quieter space away from the main living area, particularly useful for families or groups travelling with children.

Guests also have access to the residence's shared wellness facilities, including a sauna, hammam and gym for those aged 16 and over. A private ski and boot locker with boot warmers, laundry facilities and underground parking add further convenience throughout the stay.

Champlain is offered as part of the Serviced Property collection, with pre-arrival and in-resort concierge, daily housekeeping, a mid-week towel change and a welcome hamper.
