Set directly beside the slopes, the property offers ski-in, ski-out access and easy connections to the wider Les Trois Vallées ski area.

Arranged across one floor, Jossane sleeps four adults and four children across two double bedrooms and a dedicated bunk room. Natural wood, floor-to-ceiling windows and soft neutral tones create a welcoming alpine base for families or smaller groups seeking comfort, privacy and ease in Méribel.

THE EXPERIENCE

The Experience

The main living space is centred around an open-plan lounge, dining area and kitchen, creating an easy setting for relaxed evenings after skiing. An open fireplace adds warmth, while the dining table seats eight for shared meals together.

Floor-to-ceiling windows bring natural light into the space and frame mountain views throughout the day. Doors open onto a 23m² wrap-around balcony, extending the living space outdoors.

Guests also have access to shared wellness facilities within the residence, including a gym, hot tub and massage treatment room, offering a calm place to unwind after time on the slopes.

Jossane offers an independent Serviced Property stay, with pre-arrival and in-resort concierge, daily housekeeping, a mid-week towel change and a welcome hamper.
