ACCESS

Ski-in

Lorenzo offers bright, contemporary alpine living within Residence Myrtille, an exclusive collection of seven properties close to the centre of Val d'Isère.

Set on Avenue Olympique, the duplex property combines a quieter residential setting with easy access to the Old Village, shops and restaurants. Guests can ski back to the residence, while the snow front and main lift departures are within walking distance.

Arranged across the third and fourth floors and spanning 125m², Lorenzo sleeps eight guests across four ensuite bedrooms. West-facing balconies and full-height windows bring natural light into the property and frame views across the village and surrounding mountains.

THE EXPERIENCE

The Experience

The main living space is centred around an open-plan lounge and fireplace, creating a comfortable setting for evenings after skiing. An adjoining dining area and fully equipped kitchen with breakfast bar provide space for relaxed meals together.

Two balconies extend from the living area, with views across Val d'Isère and towards La Face de Belvedere. Three bedrooms on the main floor also open onto private balconies, while the upper-floor bedroom offers additional privacy and wide-reaching views.

A private ski and boot room keeps equipment organised, while lift access, a dedicated laundry room and parking add further convenience throughout the stay.

Lorenzo offers an independent Serviced Property stay, with pre-arrival and in-resort concierge, daily housekeeping, a mid-week towel change and a welcome hamper.
