Petit Chamois brings traditional alpine character and contemporary comfort to the sought-after Rond-Point des Pistes area of Méribel.

Set directly beside the slopes, the property offers ski-in, ski-out access and easy connections across the wider Les Trois Vallées ski area.

Arranged across 290m², Petit Chamois sleeps eight adults and four children across four double or twin bedrooms and a dedicated bunk room. Aged wood, local stone and soft natural tones create a warm alpine setting for families or groups travelling together.

THE EXPERIENCE

The Experience

The main living space is centred around an open-plan lounge, dining area and kitchen, creating a sociable setting for evenings after skiing. A fireplace adds warmth, while the generous dining area offers space for shared meals together.

Large windows bring natural light into the property and frame views across the Méribel valley. Doors open onto a south-facing balcony, extending the living space outdoors.

A separate TV snug provides a quieter place to unwind, while a private ski locker with boot warmers makes returning from the slopes easy. The primary suite also features a hammam shower for added comfort.

Petit Chamois offers an independent Serviced Property stay, with pre-arrival and in-resort concierge, daily housekeeping, a mid-week towel change and a welcome hamper.
