Tournesol offers contemporary alpine living within Residence Myrtille, a small collection of properties close to the centre of Val d'Isère.

Set on Avenue Olympique, the property combines a quieter residential setting with easy access to the Old Village, shops and restaurants. Guests can ski back to the residence, while the Solaise lifts are within walking distance.

Spanning 134m², Tournesol sleeps eight guests across four ensuite double bedrooms. Clean lines, natural materials and generous windows create a bright and comfortable base for families or groups travelling together.

THE EXPERIENCE

The Experience

The main living space brings together the lounge, dining area and kitchen in an open-plan setting designed for relaxed evenings after skiing. A fireplace adds warmth, while the fully equipped kitchen includes a breakfast bar, wine fridge and dishwasher.

Doors open onto a private terrace overlooking the surrounding mountains, extending the living space outdoors and bringing natural light into the property.

A heated ski and boot locker is located at the entrance to the residence, while a utility room within the property provides additional space for ski clothing and equipment. Covered parking and a laundry room adds further convenience throughout the stay.

Tournesol offers an independent Serviced Property stay, with pre-arrival and in-resort concierge, daily housekeeping, a mid-week towel change and a welcome hamper.
