Positioned just 450 metres from the centre of Val d'Isère, Chalet Juno offers a rare balance of proximity and privacy, set slightly away from the main flow of the village while remaining within easy reach of its restaurants, shops and après-ski. With ski-in, ski-out access into both the Solaise and Bellegarde areas, the chalet is well placed for seamless days on the mountain.

Arranged across 4 floors, the chalet brings together sociable living spaces, quieter corners and 6 bedrooms for up to 12 guests. The main living area is warm and inviting, centred around a fireplace with generous seating that naturally draws the group together after skiing.

THE EXPERIENCE

The Experience

Chalet Juno is designed for easy alpine living, with space to gather, unwind and enjoy a slower pace after time on the slopes. The living and dining area offers a comfortable setting for relaxed evenings, while the cinema room gives families and groups another place to retreat after dinner.

Wellness is a key part of the chalet, with an indoor swimming pool, hot tub and sauna creating a private space for recovery after skiing. Practical details, including a heated ski room with boot dryers, garage and south-facing terrace, support a smooth stay from arrival to departure.

Guests are looked after by a professional chalet team, with chef-prepared dinners on 5 evenings, daily breakfast, afternoon tea laid-out, concierge support and access to a shared in-resort driving service.
