Spanning 500m² across multiple levels, the chalet is designed around generous shared spaces and impressive mountain views. THE EXPERIENCE

The Experience

Chalet Lhotse is designed for elevated mountain living, with expansive spaces for gathering, entertaining and unwinding in privacy. The open-plan living and dining area brings guests together after skiing, while the second lounge, private bar and mezzanine space offer additional room for après-ski drinks, film nights or time away from the main group.

Wellness is central to the chalet experience. Guests can enjoy an indoor swimming pool with a drop-down projector screen, indoor hot tub, sauna, hammam, gym and massage treatment room, creating a private spa environment within the property.

Guests are looked after by a dedicated chalet team, with private chef service, in-resort chauffeur, concierge support and daily hospitality arranged throughout the stay.
