Sleeping 10 adults and 4 children across six ensuite bedrooms, it combines scale, privacy and immediate access to the resort, supported by a private in-resort chauffeur service.

Inside, the chalet has a bold and atmospheric style, with rich timber, statement lighting and detailed alpine interiors. The main living space centres around a striking fireplace, with an open-plan lounge and dining area opening onto a generous terrace overlooking La Face piste.

THE EXPERIENCE

The Experience

Chalet Marco Polo is designed for guests who want as much to experience inside the chalet as on the mountain. A private après-ski bar, wine cellar and fromagerie create memorable spaces for entertaining, while multiple lounges allow the mood to shift easily from quiet afternoons to lively evenings.

Wellness is a defining part of the stay. The gold-leaf swimming pool, designed by Christian Lacroix, sits alongside a hammam, indoor hot tub, fully equipped gym and three treatment rooms, with two hours of massage treatments included daily. A games room with pool table, darts and racing simulator adds another layer for families and groups.

Guests are looked after by a dedicated chalet team, with private chef service, in-resort chauffeur, concierge support and daily hospitality arranged throughout the stay.
