Set in the exclusive Nogentil area of Courchevel 1850, Chalet St. Christophe is just steps from the Pralong lift and piste. Arranged across four floors and connected by a private lift, the chalet offers 300 m² of traditional Alpine living for up to ten guests.

Natural wood, exposed beams and comfortable furnishings give the chalet its warmth and character. The main floor brings together a mountain-view dining area, open kitchen, spacious lounge and separate TV snug. Five double or twin bedrooms each have an ensuite, with the two top-floor bedrooms sharing a balcony overlooking the mountains.

THE EXPERIENCE

The Experience

Days at Chalet St. Christophe begin with breakfast overlooking the mountains before the short walk to the piste. After skiing, return to afternoon tea before unwinding in the indoor plunge pool, sauna or private massage treatment room.

The south-facing terrace and heated outdoor bar provide a relaxed setting for après-ski drinks, while evenings centre around dinner with a view. Afterwards, enjoy Perrier-Jouët Champagne beside the open stone fireplace or retreat to the separate TV lounge.

Guests are looked after by a professional chalet team, with chef-prepared dinners on five evenings, daily breakfast, afternoon tea laid out, concierge support and access to a shared in-resort driver service.
